

A Gazetteer of Earthsea

Alphabetical index of place names from Ursula K. Le Guin's hand-drawn map of Earthsea, plus locations mentioned in the text of A Wizard of Earthsea that don't appear on the map.

Use Ctrl+F (or Cmd+F) to search. Location descriptions reference larger, easily visible islands to help you orient on the map.

Key landmarks: Havnor (centre), Roke (south of Havnor), Gont (northeast), Osskil (far north), Enlad (north of Havnor), Way (east of Havnor), Selidor (far west). The four Reaches radiate outward: North, South, East, West.

Rows highlighted in **amber** are NOT on the map — they are places mentioned in the text of A Wizard of Earthsea only.
